Thousands of women, men and children throughout 19 countries received a gift of comfort from LWR Parish Groups in 2005. LWR spends more than \$1.5 million annually to ship those gifts. **PROJECT COMFORT** helps get quilts, kits, clothing and soap to people who need them most by assisting with the costs of sorting, storing and shipping them throughout the world.

A gift of \$44 to **PROJECT COMFORT** covers the costs for a carton of 40 layettes; \$85 sends a bale (120 pounds) of clothing overseas. With a contribution of \$500 to **PROJECT COMFORT**, you can make the shipment of 250 quilts possible, and have an engraved brick on LWR's **GOOD SAMARITAN QUILT PLAZA** outside LWR's headquarters in Baltimore, Maryland.

Visit lwr.org/parish to learn more about **PROJECT COMFORT** and the **GOOD SAMARITAN QUILT PLAZA**. To request free brochures, call 1-800-LWR-LWR-2 or email lwr@lwr.org.

**Historically, Lutheran World Relief has focused on emergency response overseas but, given the unprecedented nature of Hurricanes Katrina and Rita, a rare exception was made to distribute items domestically.*
